thanks a lot finally i dnt have a words to say about this software as well as very big thanks to developers of this software..

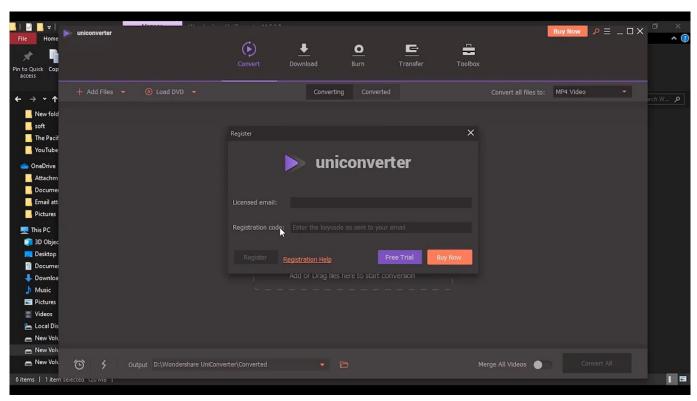

Thomas Why Choose Free YouTube Downloader Wondershare Free YouTube Downloader automatically detects any YouTube videos playing on IE, Firefox or Chrome when you surf the web.. Viji George this video downloader is working awesome with a high resolution downloading facility, it has a great option that provides high resolution of the videos, that is so great, if we can download the youtube videos from other softwares we could not get good resolution as wondershare providing, thank you so much for wonderful software you have made for us.
